Rock... Paper... Scissors... SHOOT! The Shoot new home floor plan has convenient, effortless living on the main floor. The Shoot is what you've been waiting for with The Suite on the first level along with a completely open Family, Kitchen and Dining space that's perfect for entertaining company or vegging out all alone. Upstairs wows with two additional bedrooms, mega closet space, a Buddy Bath that boasts double sinks, a light-filled loft space, and a perfectly sized pocket office. The Shoot totally completes the Roshambo Collection.

A

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
