Pure Bliss, that's all you'll experience once you've decided to call this beauty, home. Our only plan in this collection offering a first floor master suite, gives us all the warm and fuzzies. With the laundry room, open concept living room, dining room, and kitchen accompanying the primary suite, this plan really takes main floor living to a whole new level. The second floor welcomes you with a large loft, spacious secondary bedrooms and ample unfinished storage space. With all sorts of optional features the Bliss can allow all your dreams to become reality.
